The 1976 FLIGHT DEDICATION

MR. GERALD JOHNSON

Most often, recognition is not given to someone until his life is ended. In this regard, it is not much recognition to the person at all.

The FLIGHT this year is dedicated to someone who is very much a part of our everyday lives here at Jesuit; a man who keeps us in line, gives us a helping hand, and always has an open ear: MR. GERALD JOHNSON.

FLIGHT

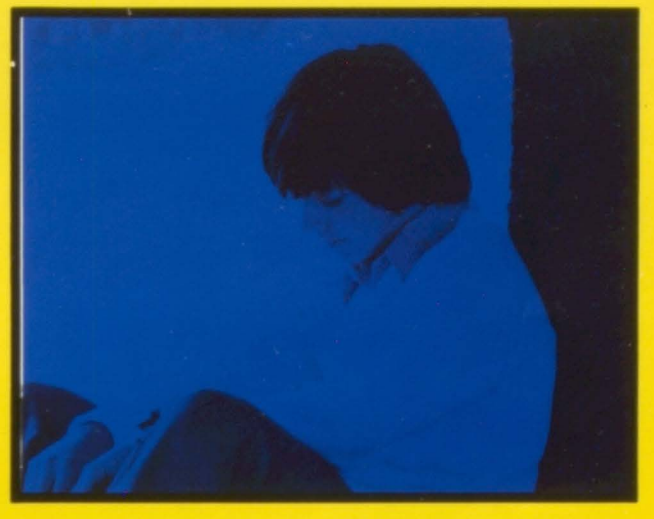

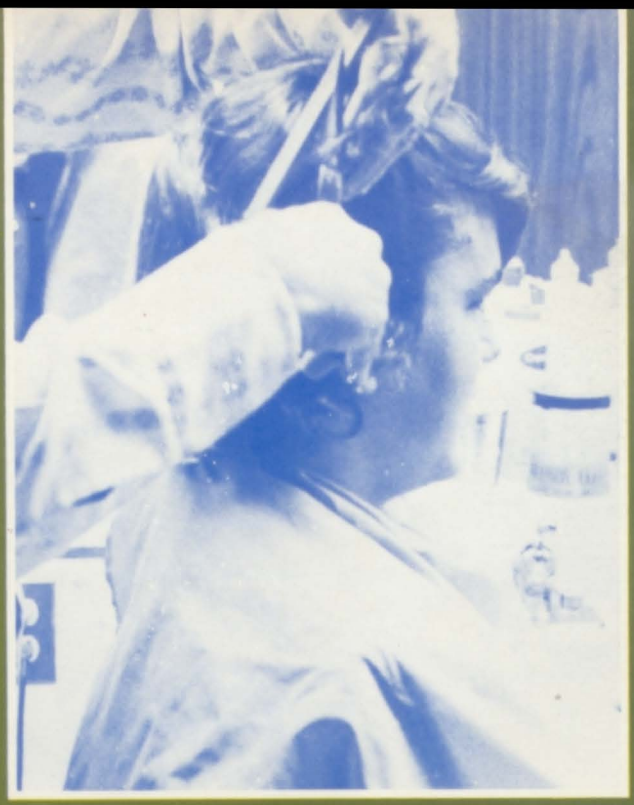

From each apprehensive Freshman to every confident Senior, each of us makes a new beginning here. Every second of relentless time brings us closer toward manhood.

The years that have witnessed our growth here have witnessed change in myriad forms. Much has been transformed — even little things. From the style of our hair to the clothes we wear.

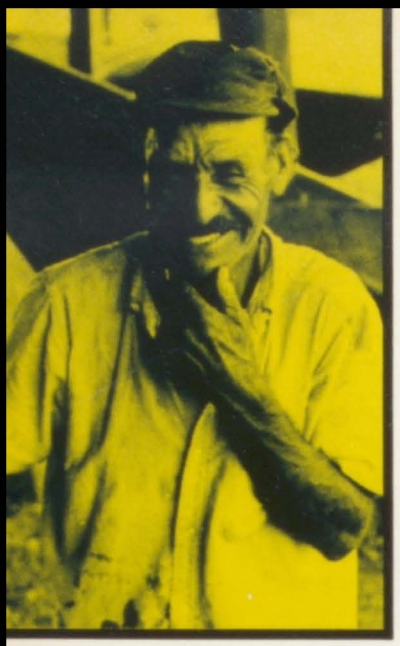

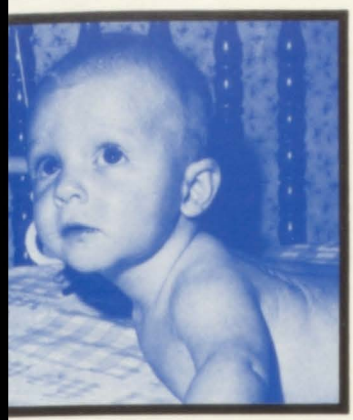

Our environment is sometimes less than constant. New features in our world replace the old. The old often cannot withstand the ravages of time.

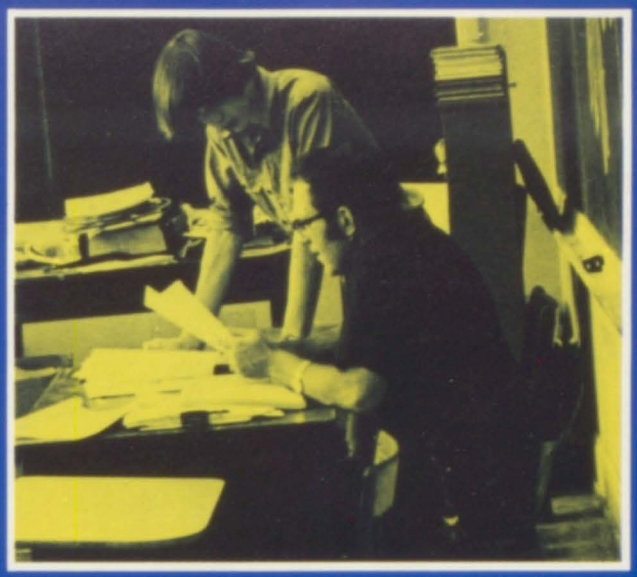

In each of us there is latent growth. The seed of our future being slowly matures, becoming present actuality.

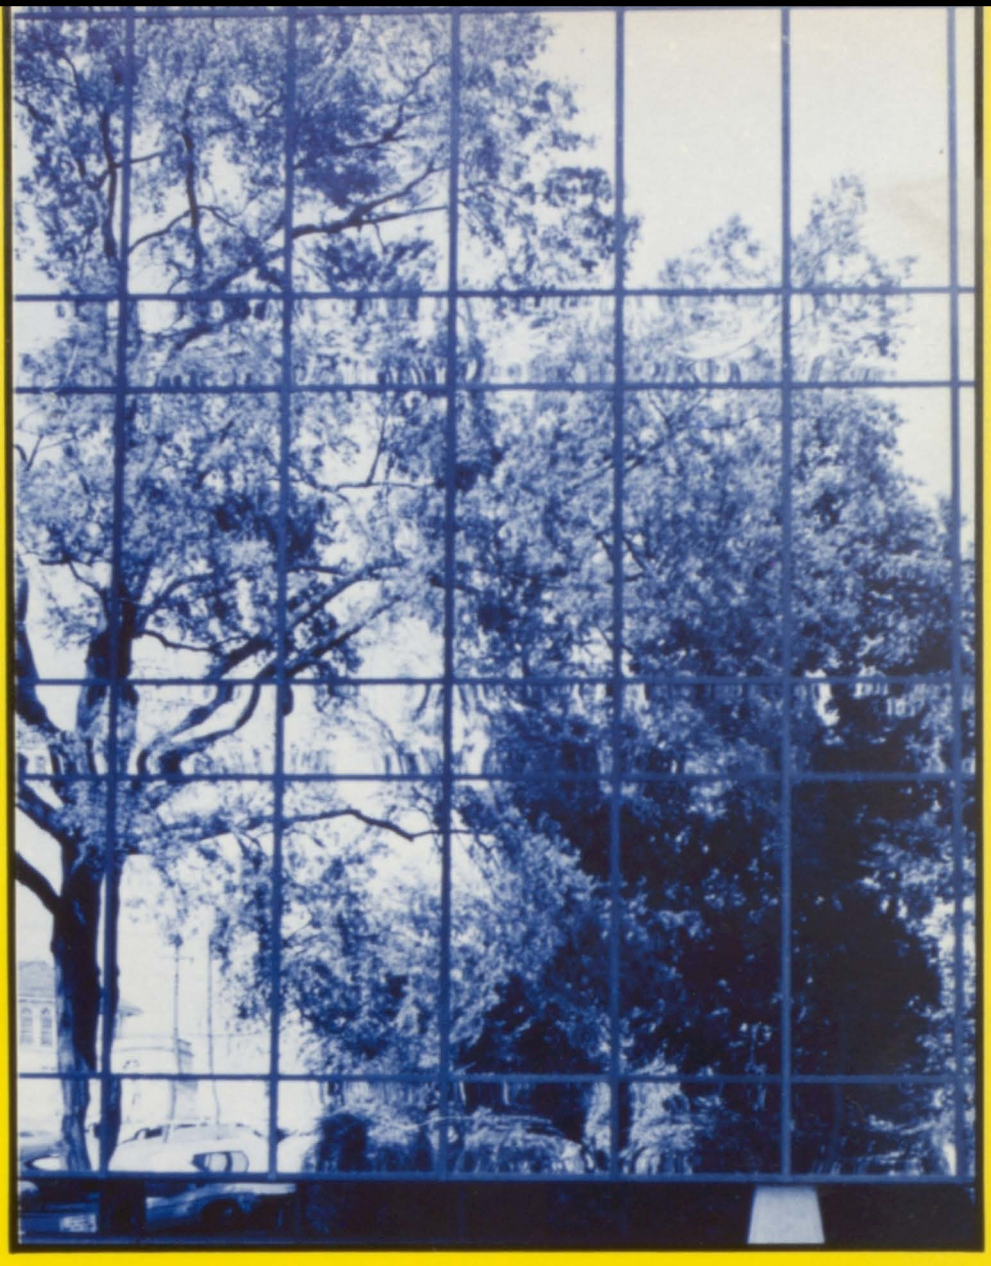

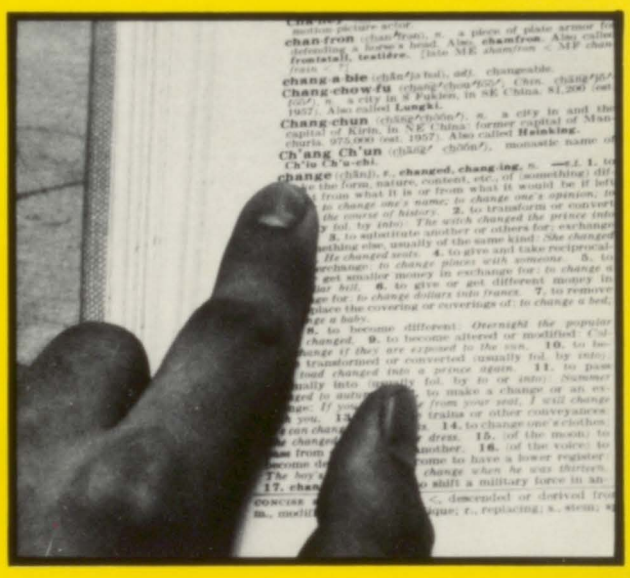

SLOW

We are the ones who
nurture the seed, who
bring ourselves to full,
yet relentless, growth.
This is our task.

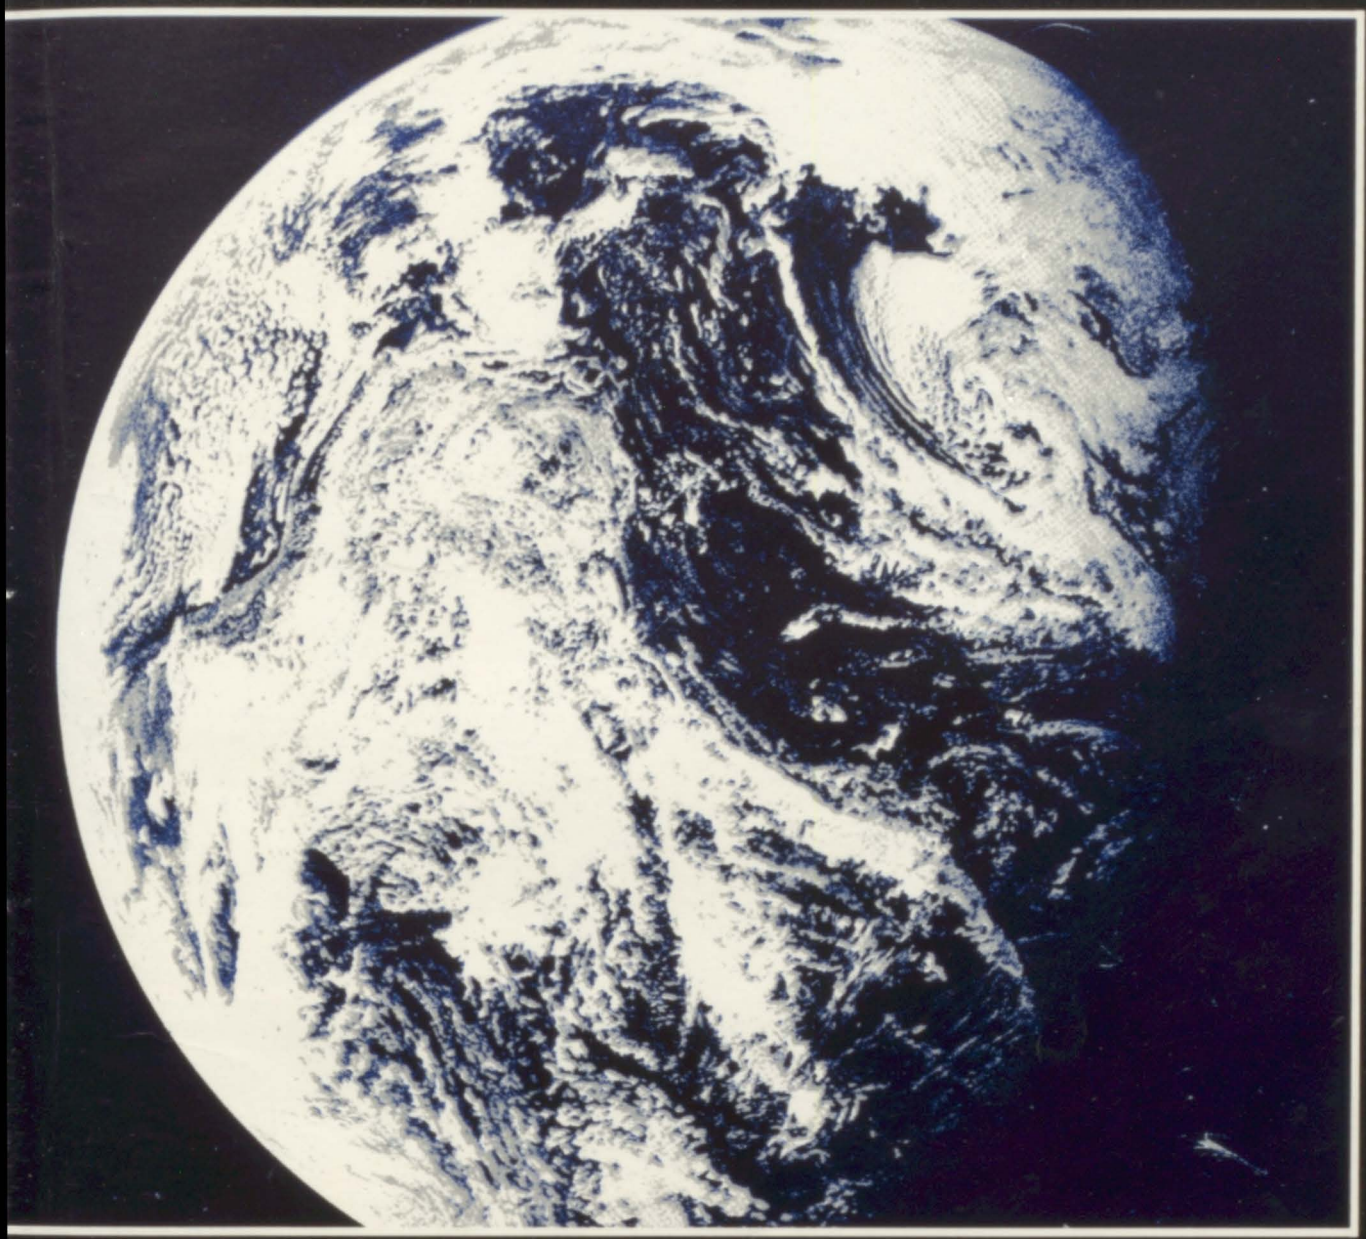

But no matter how much we learn to be, not even relentless time can change our memories of this place, our fertile ground.

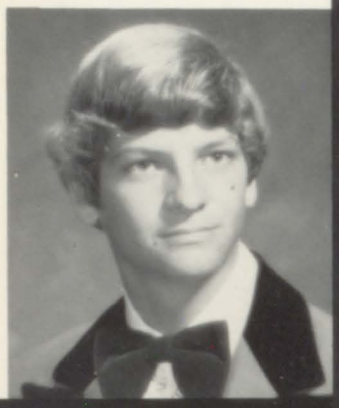

If any man seeks for greatness, let him forget greatness and ask for truth and he will find both.

Principal's Message

Change is an accepted fact of history — the theme of history. In the last twenty-five years it has become obvious that change is progressing at a geometric rate — 2, 4, 8, 16, 32, etc. — instead of at the arithmetic rate as in the past — 1, 2, 3, 4, 5, 6. This geometric rate advancement of change has caused the advent of such books as Toffler's FUTURE SHOCK.

Change is also what Jesuit High School is all about. Jesuit's goals of developing leaders of future generations imbued with Christian ideals does not change. Jesuit's methods do change in its efforts to motivate you young men under its influence so that you change yourselves to become more mature in your attitudes, wiser in your judgements and more Christian in your actions.

Robert H. Ernst

Thoughts From The President

Men adaptable to the changes of the future: such is the ideal Jesuit sets for its graduates. The rapid changes of the immediate past forecast even more profound, more rapid change in the future, and no preparation geared to static positions can possibly meet the challenge. Adaptability alone is the answer; it means being constant in ideals, but flexible in realizing and embodying the ideals in concrete circumstances. More than anything else it means being clear about one's aims coupled with the ability to discern "means" from "ends." The adaptable graduate of Jesuit will not merely survive the future; he will alter its course.

Individuals Work For Our Growth

Today, teaching is becoming an increasingly impersonal and demanding profession. Teachers are acting more like guards and police officers than the educators they should be. The rappert between student and teacher that is imperative for a real learning experience is sadly lacking.

Fortunately for us, things are not like this at Jesuit High School. Our faculty and administration is a group of highly motivated individuals who give themselves to us in every respect.

Each of us here at Jesuit is special because he is a person. Our administration knows this and works with each student, always respecting his individuality, to make him a more complete person.

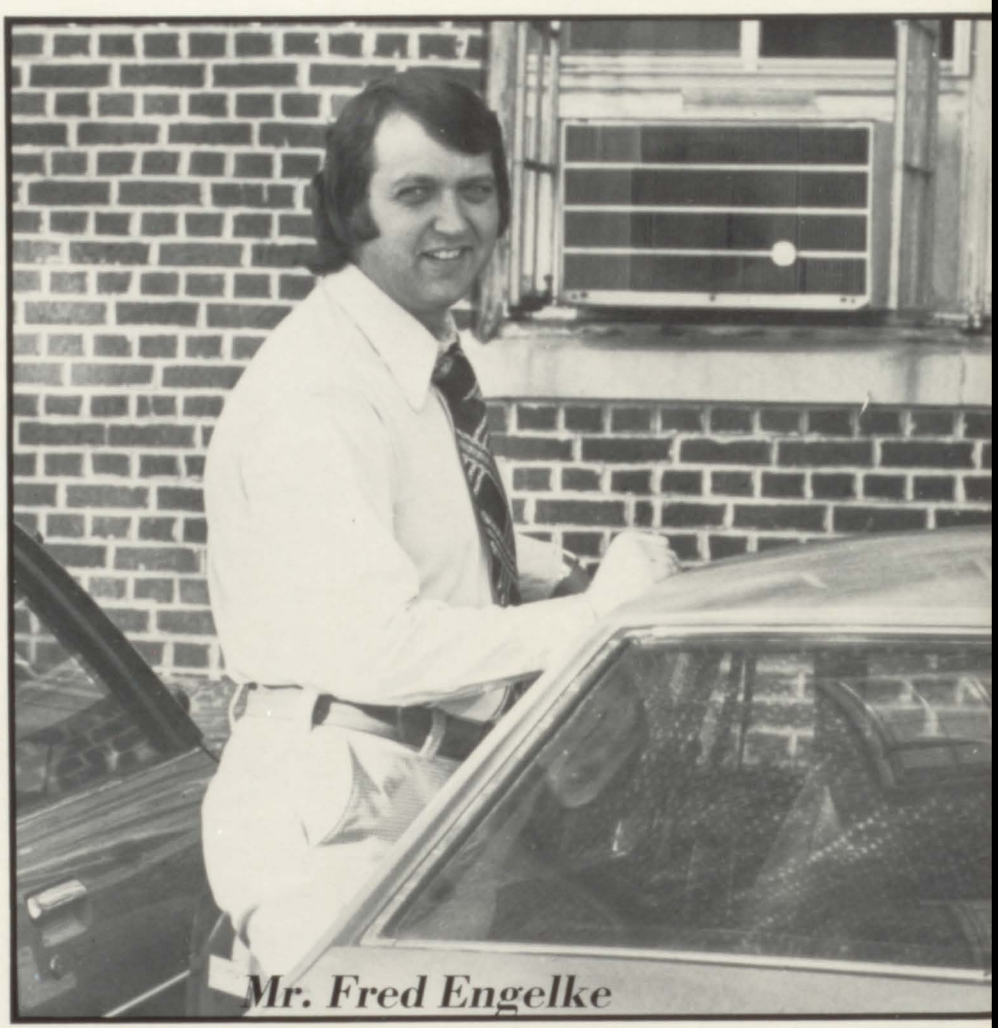

Our teachers do just what the name implies, they teach. But they do more than that. Our teachers care enough to listen to us, to guide us, and even to learn a little from us in the process. Most importantly, they care enough to be our friends. We can't ask for more than that.

Marchers Bolster Spirit

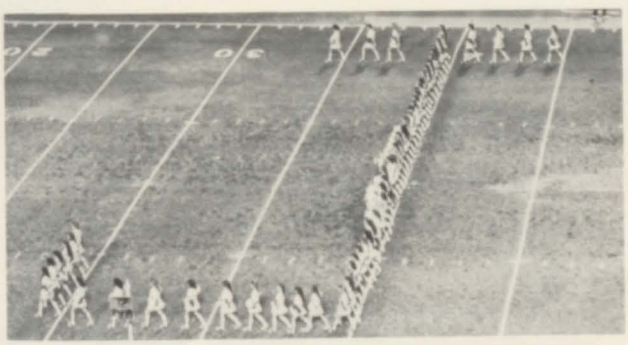

The St. Vincent's Marching Squad is an invaluable support to the football team and students of Jesuit High School. Every girl makes an important contribution in time and talent to heighten the spirit of both schools.

All the girls take this service to Jesuit seriously. They attend workshops and practice sessions over the summer to review, revise, and update their routines. To this end, they spend several hours a week in practice.

Sincere thanks are always in order for this great group of talented people, the St. Vincent's Marching Squad.

FLIGHT Staff Works For You

A yearbook staff is very much like being on an athletic team: both groups do a lot of hard work. Busy afternoons, long nights, hectic holidays — these are only a few of the sufferings staff members went through to get the FLIGHT out. The individuals on this year's very small working staff had a heavier work load then ever before. Ultimately, this required a lot of dedication.

The staff would like to thank Paul Miramon, Keith Crane, Mrs. Catherine Baker, Mr. Ernst, and especially our advertisers. The support they gave this year is greatly appreciated.

Finally, I ask you to do us one favor. Read the book! There's a lot more in it than a bunch of good pictures.

Drama Club Active

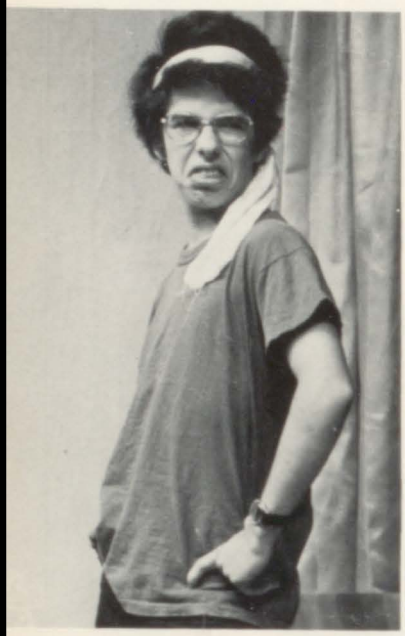

The Drama Club began this year with an acting workshop for newcomers to the club. Soon after the workshop got underway we began preparing for our first production, A Night of One Acts, with St. Vincent's Drama Club. Between our first production and ROMEO AND JULIET, the club found time to put on an "Oldies but Goodies" film festival which was a great success.

This year as in the past the Drama Club could not survive without the dedicated work of Mrs. Ely and Mr. Engelke. Our thanks to them as well as to the students and parents that have supported us.

Flyer: Your Voice

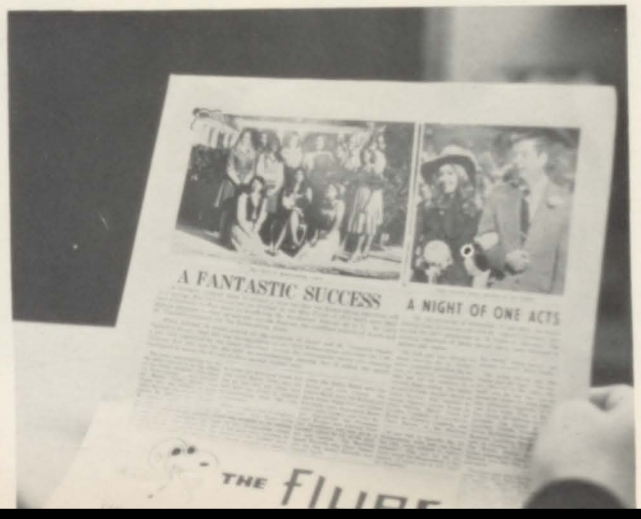

When I took on the job as editor-in-chief of THE FLYER, I had two definite things I wanted to do. First, I wanted to put out six newspapers during the school year. Second, I wanted to get more people working with the newspaper. Both of these goals were accomplished. I was really surprised at the number and quality of writers that had never shown any previous interest in the newspaper but helped this year. I know that there is still room for improvement in THE FLYER, but this year's newspaper was a definite improvement over past issues and I hope that next year's editors are successful in their jobs.

Key Club: A New Slant

In past years, the goal of the Key Club has been "Service to the School." This year, certain members and officers have expressed the thought that Key Club service should expand from purely school service to community service, fulfilling our charter with Key Club International. This has been a very rewarding decision to those who have taken part in these outside activities.

I feel, however, that more could have been done than was done and that more of our members could have taken part. But revolutions don't occur overnight and I hope that we have set a foundation for future clubs to grow on.

CLC: Pray And Work

This year's Sodality has been somewhat different from those of the past. The revolution came about after seven area students attended the Christian Life Community Convention in Amherst, Massachusetts. Sparked by the convention, Jesuit and St. Vincent's has been joined with Notre Dame to form an active community. By creating such a community, members have learned to recognize the needs of others and themselves. Also, God's revelation of Himself in events of daily living has become definite. Sodality has become a challenge. It is now a spiritual commitment intended to ignite initiative, creativity, and leadership in its members. Most importantly, however, Sodality has become a definite way of life.

Debate Now N.F.L.

"Quality rather than quantity" best sums up the year's efforts of the Flyer Forensic Squad. Although our ranks have been reduced to a little more than half of last year's number, we were at last holding our own against powerful local schools. Mostly responsible for this was dedication to the excellence everyone expects of Jesuit. This dedication expressed itself through long hours of summer research into the scarce world resources questions for the debaters, and numerous coaching sessions for those in individual events — all under the watchful eyes of our moderators: Mrs. Briggs, Mr. Wolcott, and Fr. Welsh. As a result, our Debate Club, as an affilliate of the National Forensic League, has had a successful year that the school can be proud of.

Science Clubs Explore Nature

The Nimitawi Society (useful brother) and the Jesuit Engineering and Technical Society — J.E.T.S. — had an excellent year. The only event that caused some problem for us was when our moderator, James Barr, moved to Baton Rouge. His absence caused a temporary slump in activities, but when he left he left both societies well organized so that we quickly got back on our feet and finished with a successful year.

The Nimitawi Society is a backpacking and field biology-oriented club. The major activities of the club included several trips to the Ouachita Mountains in southern Arkansas. All the trips were very eventful and all the members had a great time.

The J.E.T.S. also had a very good year with trips to Western Electric, the Civil Defense building, La. Tech, and Arsenal Hill.

Both societies had a great year and we are deeply in debt to our moderator, for without him, many individuals would have not experienced things that are important to making us wholesome men.

F.C.A.: Brotherhood

The Fellowship of Christian Athletes is a program to confront athletes and coaches, and through them the youth of the nation, with the challenge and adventure of following Christ in the fellowship of the Church.

This year's huddle at Jesuit consisted of forty-seven members. My fellow officers this year were Mike Watts, Brian Doran, and Jeff Springmeyer. Coach Carlisle served as moderator for the second year in a row.

This spring we participated in F.C.A.'s annual Weekend of Champions with all the other high schools in the Shreveport chapter. Local athletes attended one of the Fellowship's summer conferences, rounding out the year's activities.

Honors

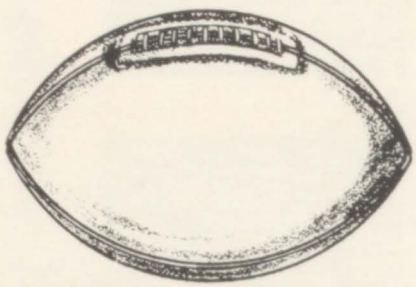

Top Football Players Honored

Several members of this year's Flyer football team were recognized for their outstanding ability and dedication.

The players who made All-City were Walter Lamb and Clement Fox (offensive), and Mike Fess (defensive).

Under the direction of Coach Catanese, many fine players made All-District. Defensive players included Mike Fess, Mike LeBlanc, and Gene Mack. Offensive players were Clement Fox and Gene Mack. Frank Cicero made the team as kicking specialist; Dick Haynie made the All-District defensive second team.

Congratulations to this year's honored football players.

Cheerleaders Energetic

At every Jesuit game, there is a group of vivacious and energetic people who work almost as hard as the players themselves. They are an indispensable asset to both the basketball and football teams. This group is, of course, the St. Vincent's Cheerleaders. These young ladies, elected by the student bodies of Jesuit and St. Vincent's, are the personification of spirit and student involvement. At every game they lead the cheers and direct the students' enthusiasm.

Each athlete of Jesuit High School, indeed every student, owes the cheerleaders an enormous debt of gratitude. The spirit and wholehearted dedication they exhibit is greatly needed.

Court Highlights Homecoming Events

An integral part of every Homecoming celebration is its Court, which represents the spirit of all of us.

This year's Homecoming Queen was Eloise Jacobs. Clare Morgan was chosen Football Sweetheart. Suzette Scott was elected Pep Squad Favorite. Marching Squad Favorite for this year was Clara Cowen.

Senior Maids were Julie Johnson and Pat Weiner. Chosen as Junior Maids were Jill Ballard and Ami Jones. Diane Cox and Lauren Florsheim acted as this year's Maids from the sophomore class. Representing the freshmen were, Lynn Baker and Julie Cordaro.

A Homecoming without its beauties is unthinkable. Congratulations to all the spirited young ladies chosen this year.

N.H.S. Makes Impact

The National Honor Society of Jesuit High School is an honorary organization that recognizes those students who excel in academics and extracurricular activities. The N.H.S. consists of qualified seniors and juniors approved by the faculty. Last year a Junior National Honor Society, consisting of sophomores, was formed.

During the first part of the school year, N.H.S. members raised money through the very popular football pool. This money was used to pay for an ad in the school yearbook and to buy gold pins for the senior members of the N.H.S.

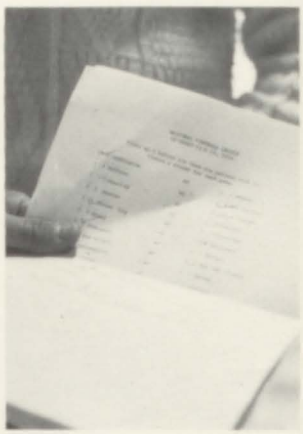

In the spring the N.H.S. sponsored a banquet for the extracurricular clubs of the school. All in all, this year was a very active and satisfying one for the members of the National Honor Society.

Jesuit Students Make Their Mark

The National Merit Semi-finalists are members of a select group chosen from the top scorers on the PSAT, a scholastic aptitude test given nationwide. Jesuit boasted two semi-finalists: John Schwarz and Kenneth Maniscalco.

Shortly before school began, seniors Brad Campbell, Art Dunnam, and Paul Borne attended Louisiana Boys' State on the Baton Rouge campus. Brad was elected President of the School Board and Parish Party chairman. Art was elected to the office of State Representative; Paul was elected to the City Council.

The Society of Distinguished American High School Students is a national honorary society which is composed of the top students in America. Unlike many other organizations of its kind, it is backed by many accredited colleges throughout the United States which offer scholarships to many of the members of this organization. Jesuit members were chosen for their hard work and leadership in various areas of Jesuit life.

S.G.A.: Leadership And Service

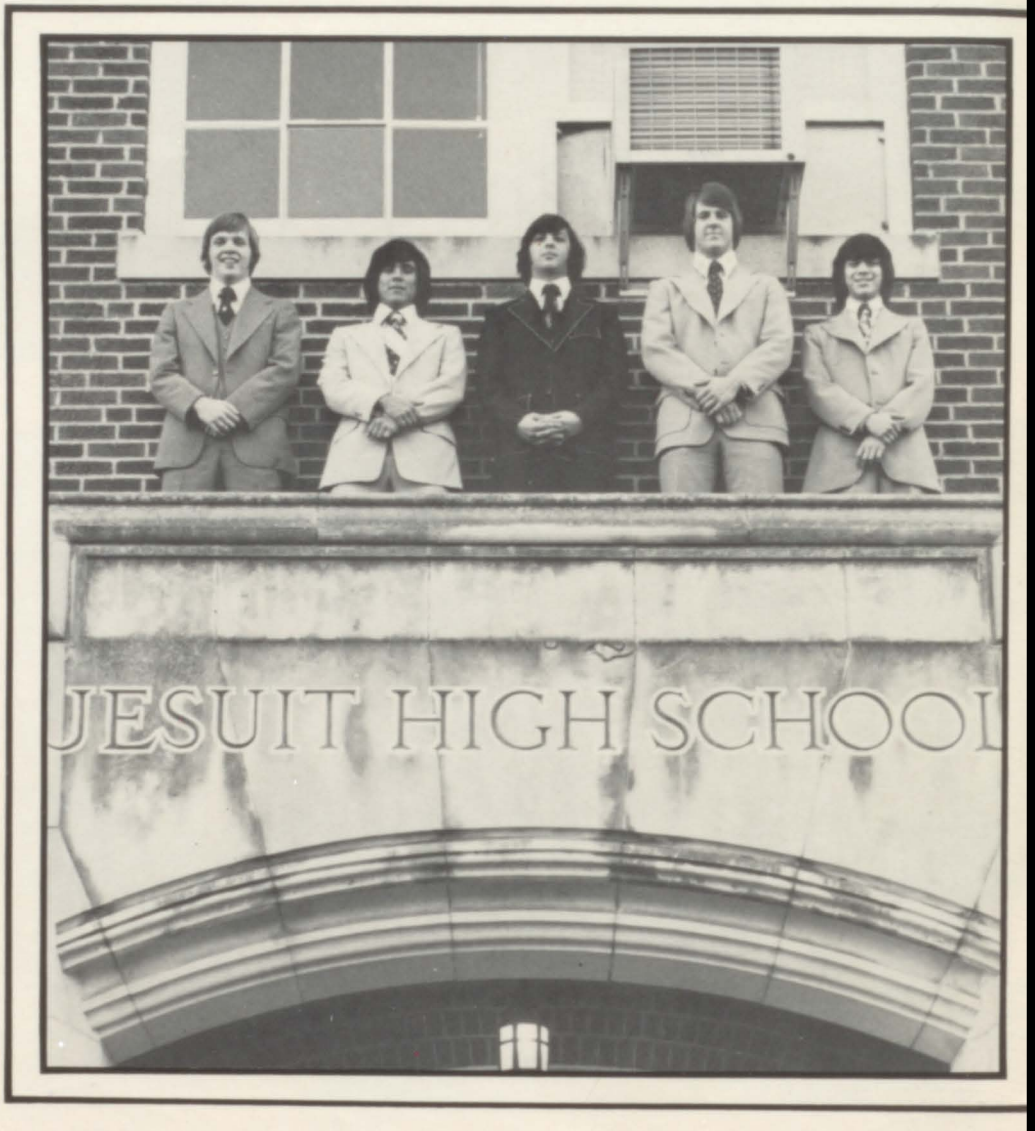

This year's Student Government Association made a serious effort at improving school-oriented activities as well as working to gain greater student participation.

To be totally honest, I don't believe we achieved our goal. This is not a statement of pessimism but of realism. I get sick when I think of all the potential within this school that we were unable to draw out. When I say "we" I mean the four officers who actually did positive work this year.

My only wish for this school in the future is that one of its potential leaders will stand up and make this school, its students, and its faculty what they really should be.

Top Right: "Gentlemen, what's going on back there?"
Middle: The Jesuit backfield is set for the snap of the ball.
Bottom: Victory is in the air — and on the board, too.

Injuries Hinder Football '75

The 1975-76 Jesuit Blue Flyers had a season that did not come up to expectations. But what team ever does as well as it would like to? This year was Tony Catanese's first as head coach. He had a challenge in store for him in that an unusually large number of starters were out for just about every game. The Flyers had to contend with everything from freak accidents to an extra-ordinary number of on-the-field injuries. But undaunted, Snoopy's Squad grabbed a slot in the play-offs and played a very respectable season in every way.

In the Caddo Jamboree that previewed our players, the Flyers took on Fair Park and won 3-0. In the first season game, Airline defeated Jesuit 14-0. Clement Fox and Frank Cicero both made a great showing in the game against Bossier. Unfortunately, the Bearkats won the contest with a 32-7 win. Southwood had to really hustle to whip the Flyers. Senior Brian Roeten showed the stuff of which he is made with a 31-yard TD pass in this game. The game ended in the Cowboys' favor, with a score of 13-7.

In the long-awaited contest between the Flyers and the Springhill Lumberjacks, the Jacks pulled off a 23-0 win. But of this game Coach Catanese said, "I thought we did a good job on defense. They only earned their last touchdown."

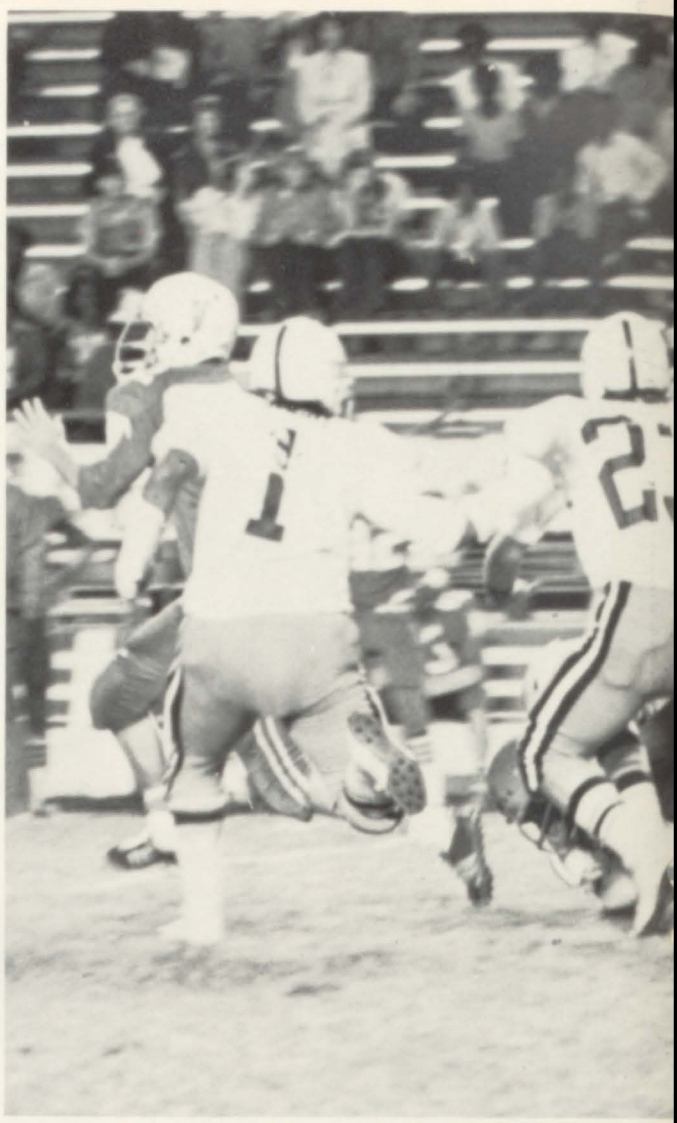

The first Flyer victory of the season came when Jesuit hosted Green Oaks and turned the tables with a decisive win of 17-6. Jesuit followed up her first victory with a second against the Ruston Bearkats. Being beaten 17-0, the Kats probably wished they had never seen Fair Grounds Stadium. Mike Fess, playing tailback, rushed for 88 yards on thirty carries against the Ruston defense. Clement Fox caught two touchdowns. Frank Cicero made his presence known with a 28 yard field goal.

Homecoming week was sweetened when the Flyers ripped Northwood apart with a 42-0. Mike Fess led the way again; he rushed 137 yards on just 16 carries. Clement Fox and Philip Cancilleri both received touchdown passes thanks to Tom Bullock and John Marshall. Frank Cicero's kicking was flawless on this important night. Randy Mondello made his big brother Sammy a little more than jubilant with a 55-yard punt return in the fourth quarter.

Byrd put an end to the Flyers' streak, but only with a close 9-6 win. The Flyers came back and took the lead over Haughton with a score of 7-0. The intrepid Mike Fess made the winning touchdown with 5:04 remaining in the fourth quarter.

In the last game of the regular season, Jesuit was defeated 12-0 by North Caddo. Nevertheless, the Blue went on to Wossman for their play-off game. The score was 19-7 in Wossman's favor.

For the record, Clement Fox broke the all-time receiving career record for passes caught at Jesuit with 65 passes caught for 875 yards. Frank Cicero kicked seven consecutive field goals, setting another career record here at Jesuit. Jesuit finished 4-6 for the regular season. This was a disappointment to Coach Catanese and all of us. But scores and statistics are not always accurate reflections of a team's ability. The Flyers know how to work; they know what it means to be real athletes. After all, that's what really counts.

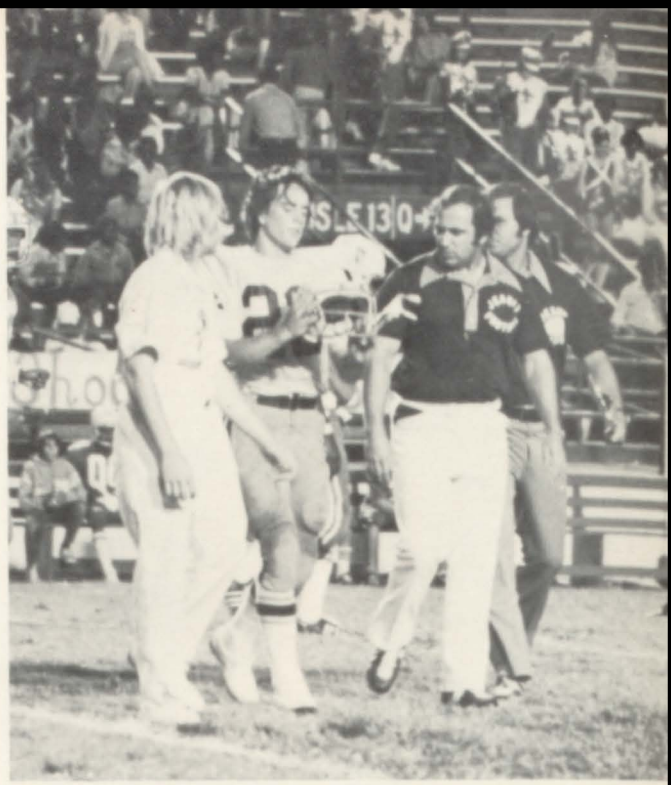

Opposite Page: Upper Right: Pineda, Hebert, and Pumilio tackle a Cowboy receiver.
Left: Jesuit Flyers prepare for Bullock's signals.
Extreme Left: From the look on Coach Cataneses's face, we know he's ·t to win.
Top Center: During a time-out, Tom Bullock checks instructions with his coaches.
Center: Teri Mitchell keeps one eye on the game during a cheer.
Lower Right: Flyers limber up before the game.

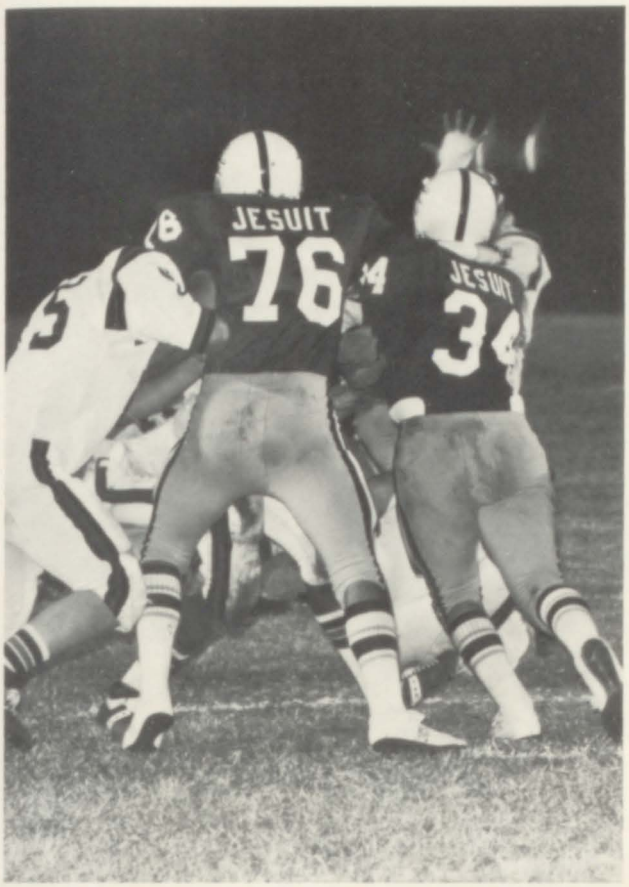

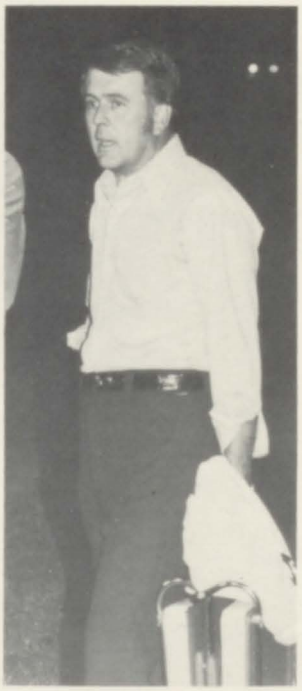

Top Left: Team physician, Dr. Fox, waits patiently — just in case.
Top Right: Fess is down, but not out.
Above: Clearing the way for Randy Mondello, Randal Fredieu makes a great block.

Fans Back Flyers To The End

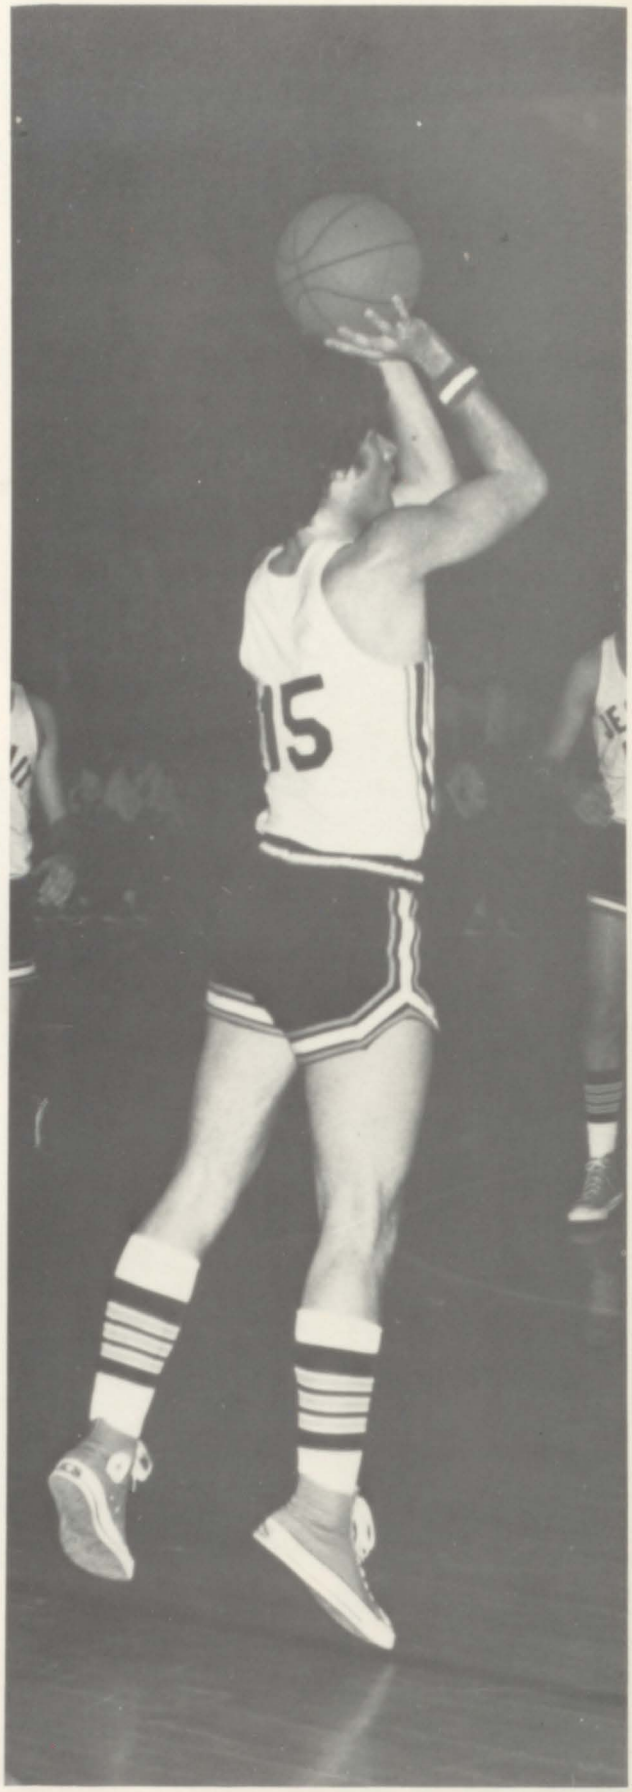

Top Left: Randy Fredieu and Pat Mitchell bring down the ball carrier, making him short of the first down.
Top Right: Junior quarterback Tom Bullock hurls another pass.
Bottom Left: Long-time Flyer fan Walter Watts looks on with pride from the sidelines.
Bottom Middle: While off the field, defensive players discuss their opponents' strategy.

Top Left: Players listen attentively to Coach Carlisle's second-half strategy.
Right: Jeff Springmeyer shows perfect form in shooting a jump-shot from the outside corner.
Bottom Left: A jump-ball is tipped to one of his teammates by Clement Fox.

Jesuit Basketball Players Work To Win

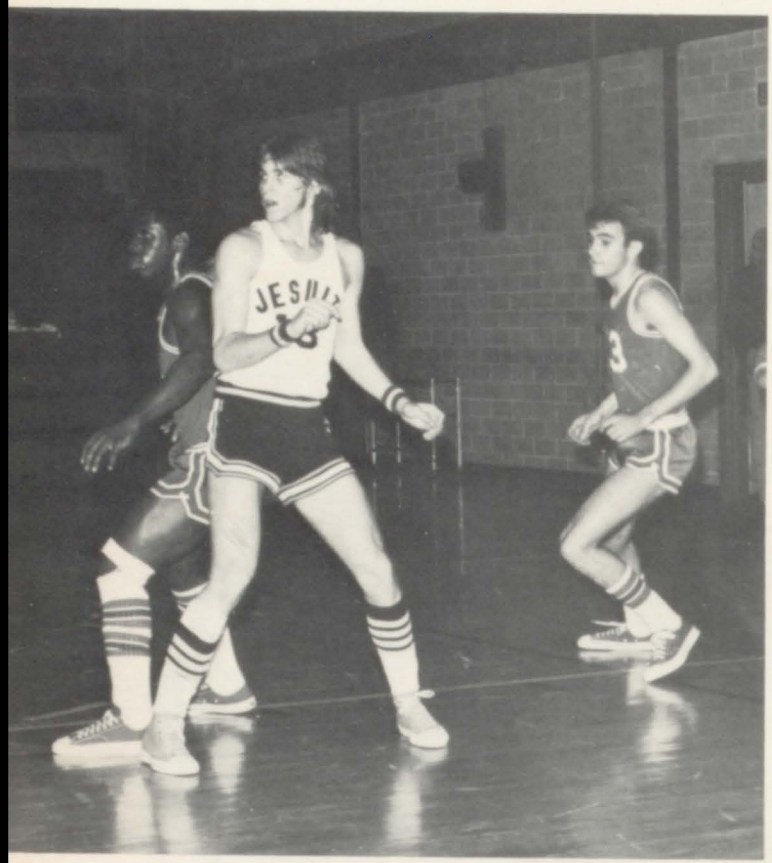

Top: Taking a breather, Clement Fox awaits the second-half action.
Bottom: Mike Lindley and Gil Goodrich wait pensively for the second free-throw shot of a Haughton Buccaneer.

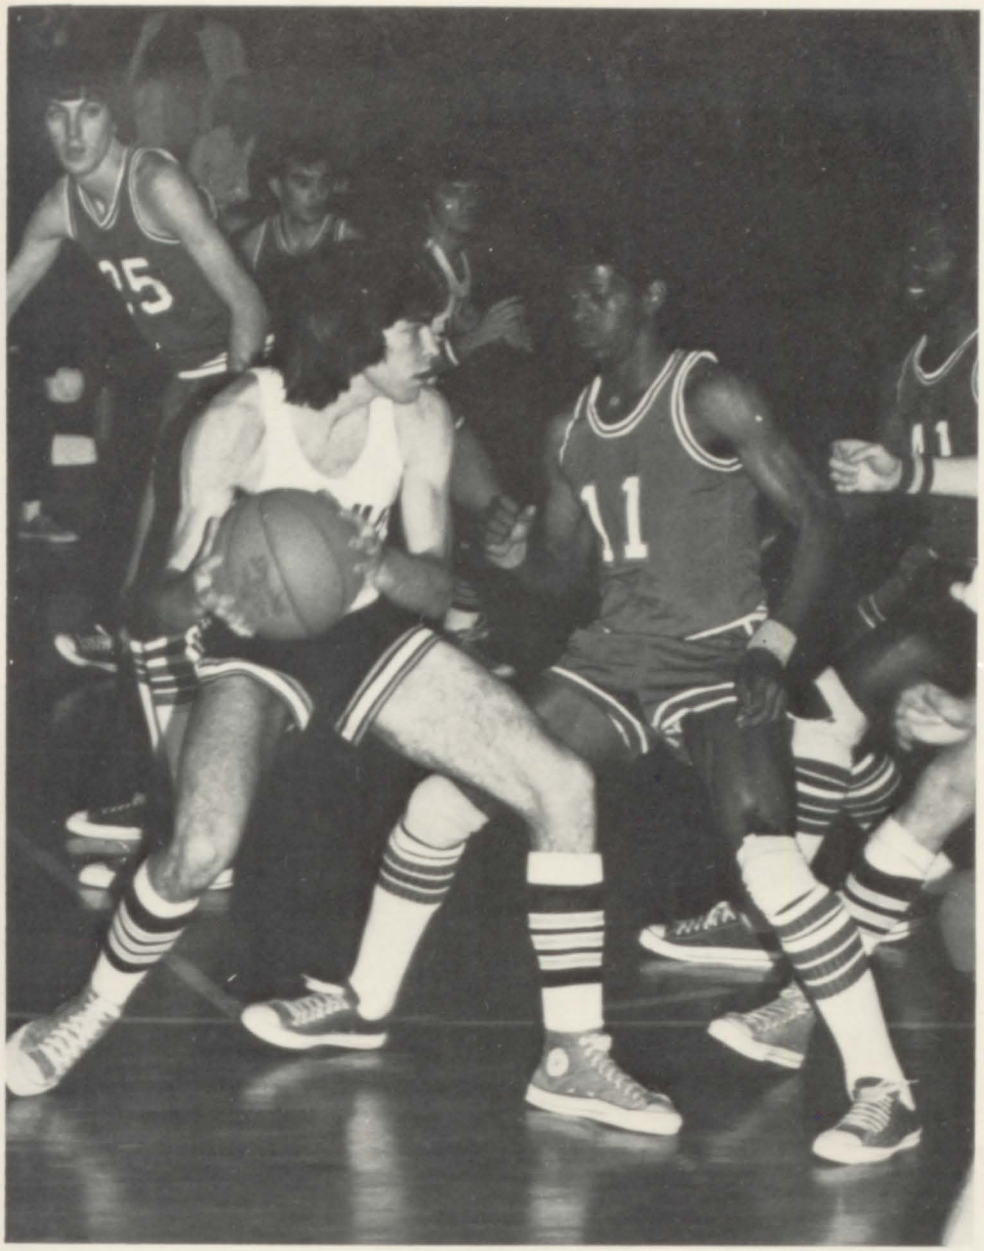

Cagers Prove Powerful

Bottom Right: Les Cowel watches as Gil Goodrich fires in a jump-shot.
Top Right: Senior Players of the Snoopy Squadron: Scott Bicknell, Dwayne Williams, Mike Lindley, Clement Fox, Chris Ward, Gil Goodrich.

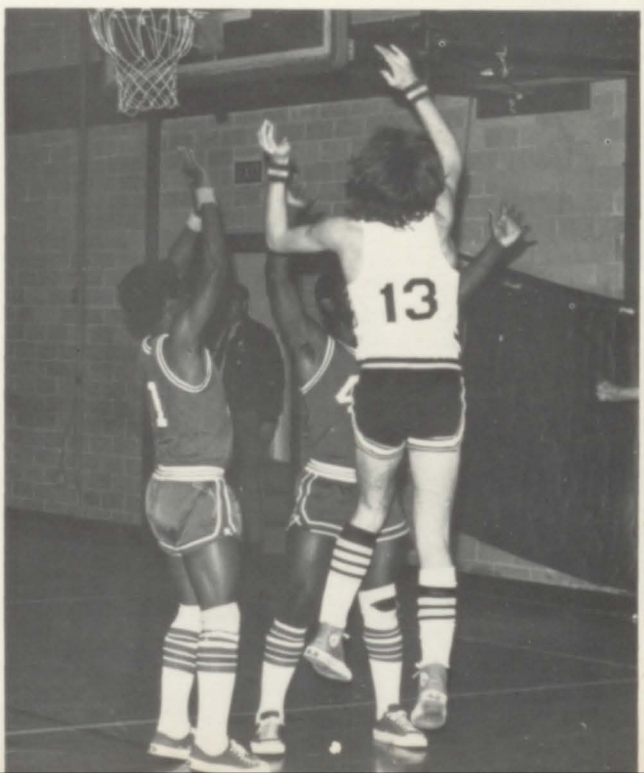

Top Left: Mike Lindley gets caught in a tight spot.
Bottom Left: A free-throw is taken by Clement Fox.
Right: A pre-game warm-up shot is made by junior Mike McCarthy.

Top Left: A defensive stance is taken by Gil Goodrich.
Top Right: The Flyers show their team unity before the game begins.
Bottom Left: The ball is moved downcourt by Jeff Springmeyer.
Bottom Right: Chris Ward goes over two opponents for two points.

Flyer Basketball Season Energetic And Hard-Working

The Jesuit basketball team, under the direction of Coach Jerry Carlisle, has been in an ongoing process of development. Coach Carlisle has worked very hard and very ably to bring basketball at Jesuit up to the level of perfection that we have maintained in other fields of endeavor.

This season was a disappointment for the Jesuit cagers. They worked many long hours, always exhibiting the dedication that Jesuit is known for. In reality, the scores didn't present an accurate picture of real Flyer talent. The Flyers did play well against some tough teams. But often they were simply out-manned. Losing the first five games, the Jesuit cagers were understandably shaken in morale. Once it settled in, this "losing syndrome" was hard to shake off.

But again, Jesuit had some very fine talent. Seniors Chris Ward and Gil Goodrich were both very good shooters, as was junior Jeff Springmeyer. Ward, Goodrich, and senior Clement Fox showed themselves to be excellent rebounders. Too, Fox came out strong defensively. Senior Mike Lindley was definitely an excellent ball-handler and play-maker. Dwayne Williams, also a senior, really showed the fans he could hustle the ball.

Several of the games bear special mention, for they were prime examples of the Flyers' fighting spirit. North Caddo beat Jesuit only after a real struggle. Only in the third overtime did North Caddo come out the winner. The 106-31 Jesuit victory over Notre Dame was truly an exciting game. This score of 106 points was the highest ever totaled by the Flyers. Jesuit gave Wossman a good fight both offensively and defensively. The Ruston and Byrd games were also well-played by the Flyers. They showed their spirit in spite of anything that happened. It should be obvious that the Flyers were fighters in the best sense of that word.

Next year's team shows quite a bit of promise. Juniors Les Cowel and, Jeff Springmeyer are both playing well, as are many others among the junior squad. It should be said that Coach Carlisle is an excellent coach. The three years of his career here have seen constant improvement in his coaching ability. With his help, the Jesuit Flyers will continue to show that they are a team to be reckoned with. More of their same hard work — coupled with an increasingly heightened morale — will make people realize that they are winners.

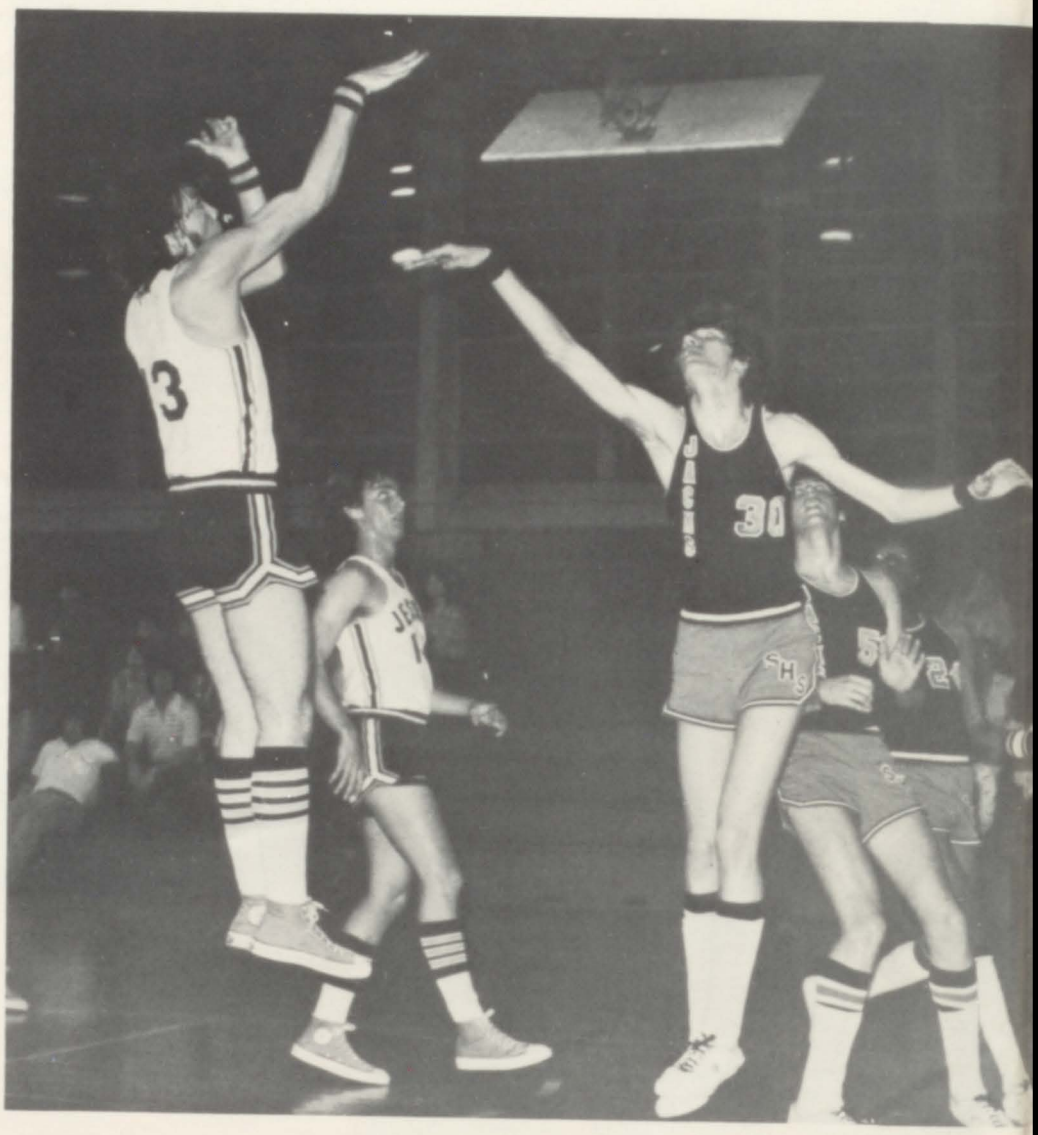

Top Left: Both teams wait for the rebound off the boards.
Bottom Left: "We're cute aren't we?"
Bottom Right: Jeff Springmeyer appears a little dazed as Coach Carlisle talks to him on the side.

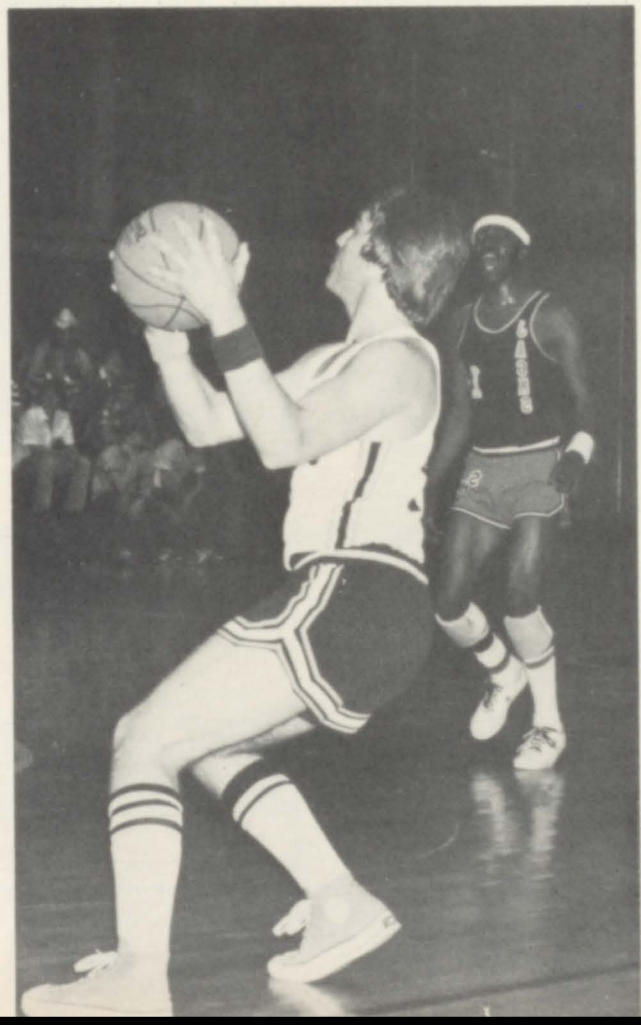

Top: Team Statistician, Larry Fertitta, and Team Manager, Major Fant, observe the action on the Jesuit-Springhill game.
Top Right: Dwayne Williams goes for an easy lay-up.
Bottom Right: Senior Chris Ward executes his formidable fade-away jumper.

Soccer Club Expands

The Jesuit Soccer Club took its first trophy ever offered in St. Andrew's first annual Soccer Tournament and in doing so played its longest game ever, going into quadruple overtime to break the one to one tie ending the game one to two.

The Club's season was a short one in the way of games this year as there was a slight breakdown in communications with the other soccer clubs allowing the club to schedule only four high school games; three against First Baptist and one against St. Joseph.

Though playing only four season games this year, the club was at an all time high with twenty-five regular players indicating a growing interest in soccer by the student body. The club should be in excellent shape for next year.

Happenings

Homecoming Festivities

This year's Homecoming, October 15 through 18, was highlighted by the traditional football game and dance.

To fire up the student body of Jesuit and St. Vincent's, the cheerleaders and coaching staff worked together to produce a highly spirited and imaginative pep rally. Thoroughly inspired, the Flyers really went after the Northwood Falcons and snared a 42-0 win.

Jesuit and St. Vincent's celebrated their victory with the help of Bayou Teche. The music was well performed and it certainly added to the spirit already waxing strong. During the dance, the Homecoming Court was presented by the senior football players.

Homecoming is enjoyed by everyone; it would not be possible, though, except for the dedication of the Key Club. Members of this organization make all of the vital preparations. Every detail is seen to by them. Thanks to the Key Club for its faithfulness and hard work.

Drama Club Presents Varied Fare

On the evenings of November 25 and 26, the Jesuit Drama Club, in conjunction with St. Vincent's Academy, presented its first production in "A Night of One-Acts." The evening consisted of three one-act plays, each different in nature and theme.

The first play was "Hooray for Adam Spelvin — He Is Perfect," which comically describes the terrors of parental overpermissiveness, but led the audience to a twisted, tragic ending. "Adam Spelvin" was directed by senior Bryan Reeder.

The second offering was "The Oyster and the Pearl." This one-act, directed by Mrs. Diana Ely, dealt with the idea that even an unpearled oyster can bring hope — and, ultimately, happiness.

The final play was the warm and witty "The Mice Have Been Drinking Again." It told the story of a young couple's attempt to rid themselves of a cousin who lives in their clothes closet. The cast was expertly directed by Mrs. Kay Olsen.

Of course, the play could not have been a success without the talents of Mr. Fred Engelke and the hardworking, dedicated stage crew.

Football Banquet Honors Players

The annual Jesuit Football Honors Banquet was held January 8, with Mr. Jack Appleby as master of ceremonies. Thanks go to Mrs. Calantone and the members of the Key Club who did their usual great job in preparing for the event.

This year, seniors Mike LeBlanc and Mike Fess received the Coaches' Award. The football team also voted LeBlanc and Fess outstanding defensive and offensive player, respectively. Tom Bullock and Phillip Cancilleri were the recipients of the Scholarship Award. The members of the team voted Fess, LeBlanc, and senior Clement Fox Permanent Team Captains. Jesuit career records recognized were made by seniors Clement Fox and Frank Cicero. Fox was recognized for the most receptions and most yards made; Cicero, for the most field goals.

Congratulations to these players who were specially honored for exhibiting the Jesuit spirit that made the Flyers a winning team.

Right: Mr. Jack Appleby addresses the crowd gathered to honor our outstanding athletes.
Bottom: Here is the picture that Mr. Appleby paid photographer Paul Miramon fifty cents for.

S.G.A. Events Numerous

This year's projects undertaken by the S.G.A. were many and varied. In an attempt to instill spirit in the school the S.G.A., working along with the new officers and representatives of the classes, sponsored Spirit Week. Other activities included football and basketball tournaments, special interest assemblies, dances, the Talent Show, and the film festival. These diverse activities had a lasting effect on the student body.

Not only did the S.G.A. sponsor many events themselves but they helped support classes and clubs in their endeavors. They even made a couple of thought-provoking speeches.

All in all, the S.G.A. made this year a very active one for the students and faculty.

Top: Mike Tanner gives Mr. Lerchie a few tips on addressing the student body.
Bottom: During Spirit Week enthusiastic crowds fill the bleachers to see many interesting guest speakers and enjoy programs put on by the S.G.A.

Top Left: Shortly after the new year began, the S.G.A. combined with the Junior Class to stage the third annual Jesuit Talent Night.
Top Right: Bob Griffin gives an informative talk on sports in general during Spirit Week.
Bottom Left: Several juniors combine to give the school a closer look at the Jesuit faculty by doing a skit.
Bottom Right: This year the intramurals proved more successful than in the past because of the good organization afforded by the S.G.A.

Style Show Salutes Bicentennial

The 23rd annual Jesuit Mothers' Club Luncheon and Style Show, held on October 21 this year, was a very well planned and enjoyable event.

Proceeds raised are put to good use by the Mothers' Club in their efforts to support and improve Jesuit High School.

One of the traditional features of the Luncheon and Style Show is the participation of the Jesuit senior class. The seniors assist in the setting up of stage and tables and other necessary preparations. On the day of the luncheon, they serve the refreshments and the dinner that follows.

The Jesuit Mothers' Club is a very loyal and dedicated group of women to whom we, the students of Jesuit High School, owe much. They know how to get things done. Thanks, Mom!

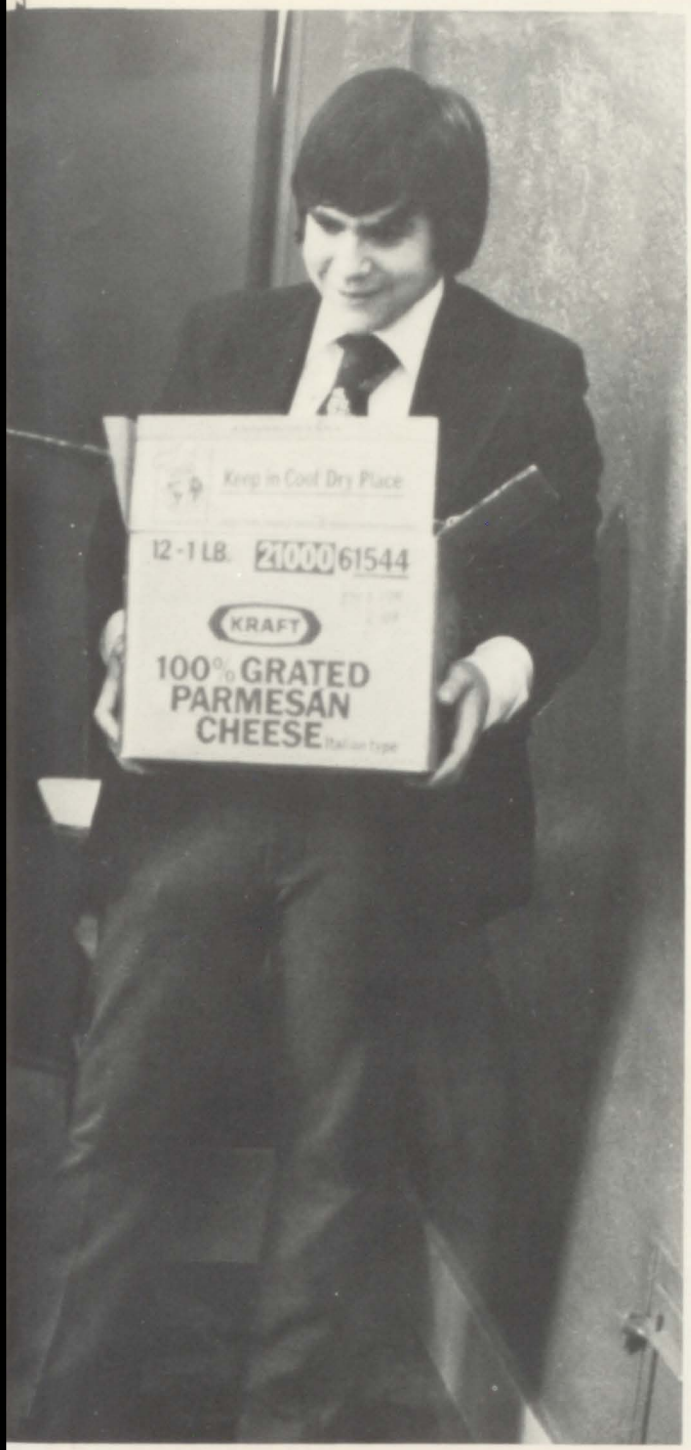

Top Right: Frank Cicero goes down the runway as Mrs. Galloway describes his attire.
Middle Left: The background reflects the Bicentennial mood of the 1975 Style Show.
Middle Right: Clement Fox gives a friendly smile to the crowd as he displays his casual wear.
Bottom Right: Seniors Eric Thibodeaux and Tom Powers take a break to eat before going back to work.

Sodality Has Busy Year

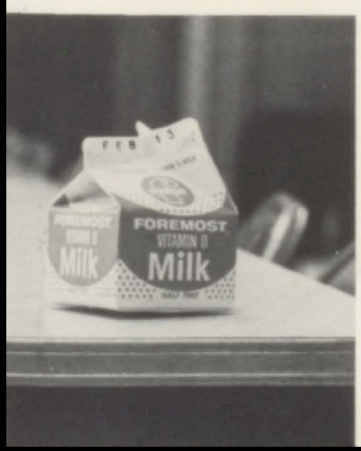

The activities of the Sodality were varied, reflecting the innovative character of the Sodality itself. Sodality members participated in service work and spiritual development.

The first activity of the year was the Vigil for the Feast of Christ the King. This vigil, sponsored by St. John's, saw many Sodality members participating. Sodality members from Shreveport attended the diocesan Holy Year Rally to make a presentation on the recently canonized Elizabeth Seton.

The Sodality supplied volunteers for the Christian Service Program. The canned food drive and Poor Man's Supper were special projects. On Shreveport Right-to-Life Day, Sodality members sold roses in shopping centers to dramatize the abortion dilemma. The Sodality sponsored a fund drive for the Jesuit Missions, which aided the poor of the Third World.

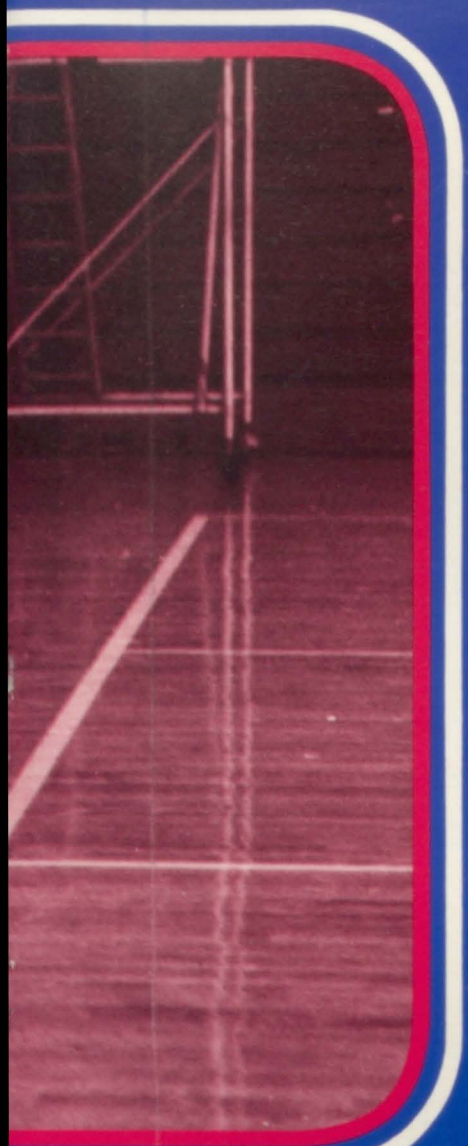

The Sodality will continue to develop its program of work and prayer. Who knows what the results might be?

Western Electric

Western Electric: We're Part of the Bell System

The story of the invention of the telephone begins officially on the night of March 10, 1876: "Mr. Watson, come here; I want to see you!" These historic words, the first sentence ever transmitted over an electric telephone, were uttered by Alexander Graham Bell when he accidentally spilled acid on his clothes. The acid was part of the transmission apparatus, called the "Liquid Telephone"; the receiver was a tuned reed.

From that beginning, the telephone has grown to become a necessary part of everyday life. In 1976, the Bell System has nearly 120 million telephones in service. Worldwide, there are about 350 million telephones in service, 99.5 per cent of which can be easily reached by the Bell System.

The Shreveport Works of Western Electric plays a significant role in the telephone story. Right here in Shreveport, we manufacture over half of all new telephone sets for the Bell System, giving our city the distinction of being the "Telephone Capital of the World."

Our 5,400 employees will continue to provide South Central Bell and the other Bell companies with quality telephones and related equipment. Western Electric's Shreveport Works: We're part of the Bell System . . . We make things that bring people closer.

1976: Time Moves On . . .

The theme of this book is "change," a theme which denotes a broad area of ideas and concepts. As you all know, this is our country's bicentennial year, a year of looking backward to the past. A yearbook works on the same principle; it is a way of preserving the present for the future.

We've made many changes in this annual. Some, like the format, are quite obvious; some are not so obvious, so why try to explain them. Whatever the changes are they have been made intentionally — not just for the heck of it.

Hopefully, you've read the book thoroughly (you're reading this page anyway) and you've looked at the pictures. In this way, you have remembered things that have affected you, things that were good and bad. Remember one thing: It's your life and you can make it anything you like. You can change. Whether you're reading this on May 21, 1976, or 1996, you can always change. So close the book, the world is moving on. Time is passing by and you're a visitor on this earth like everyone else.
